

Specifications

1. Magnesium Sulphate Heptahydrate
2. $MgSO_4 \cdot 7H_2O$
3. white crystal or granular
4. full soluble in water

agricultural grade **Magnesium sulphate**

Items tested	Standard	Analytical result
Appearance		White crystal
MgSO ₄ ·7H ₂ O (on dry basis)	99% min	99.05%
MgO	16% min	16.2%
Mg	9.6% min	9.72%
SO ₃	32% min	32.1%
S	12.5% min	12.53%
Fe	0.005% max	0.004%
Heavy metal (as Pb)	10ppm max	9ppm
Arsenic	2ppm max	1.8ppm
Cl	0.03% max	0.025%
Loss on ignition	48-52%	50%
Water Insolubles	0.02% max	0.01%
Conclusion		It is up to the requirement
Packing	In pp bags of 25kg net each, with PE liner	
Storage condition	I Keep container tightly closed. Store in a cool & dry area on pallet. Do not expose to heat. I Incompatibilities: keep it away from Acids, oxidizers, corrosives, poisonous & hazardous items;	

We are exporting it in large quantity with regular order from end user
